## PART 3

### Conditions

4. The licence holder must inform the MMO in writing of the intended start date and the likely duration of licensed activities on a site at least 10 working days prior to the commencement of the first licensed activity on that site.

5. Should the licence holder become aware that any of the information on which the granting of this deemed marine licence was based has changed or is likely to change, the licence holder must notify the MMO at the earliest opportunity.

6. The licence holder must ensure that any coatings and treatments used are approved by the Health and Safety Executive as suitable for use in the marine environment and are used in accordance with Environment Agency Pollution Prevention Control Guidelines.

7. The licence holder must ensure that any equipment, temporary structures, waste and debris associated with the works are removed within 6 weeks of completion of the licensed activity.

8. The licence holder must ensure that the MMO local Marine Office is notified of the completion of works and operations at least 10 days following the completion of the works.

9. The licence holder must notify the MMO in writing of any agents, contractors or sub-contractors that will carry on any licensed activity listed in this licence on behalf of the licence holder. Such notification must be received by the MMO no less than 24 hours before the commencement of the licensed activity. The licence holder must ensure that a copy of this licence and any subsequent revisions or amendments has been provided to, read and understood by any agents, contractors or sub-contractors that will carry on the licensed activity on behalf of the licence holder.
