## EXPLANATORY NOTE

*(This note is not part of the Regulations)*

The Board of the Pension Protection Fund (“the Board”) is established by section 107 of the Pensions Act 2004 (c. 35) (“the 2004 Act”) to provide compensation for members of certain occupational pension schemes in the event of the insolvency of the scheme’s sponsoring employer and where the pension scheme is under-funded at a certain level. Paragraphs 26 and 26A of Schedule 7 to the 2004 Act make provision for the amount of such compensation to be subject to a cap in certain cases.

Regulation 22 of the Pension Protection Fund (Compensation) Regulations 2005 (S.I. 2005/670) (“the Compensation Regulations”) modifies paragraph 26 of Schedule 7 to the 2004 Act so that where compensation is paid by the Board in successive tranches, or the person entitled to the compensation has on a previous occasion become entitled to one or more lump sums from the scheme in question or from connected schemes, the restriction applies by aggregating the annual values of the former benefits or lump sums with the benefits payable in the latest tranche.

Regulation 2(2) to (4) of these Regulations amends the modifications made by regulation 22 of the Compensation Regulations so that, for the purpose of the compensation cap, two or more scheme benefits are only added together where they are either all attributable to the person’s pensionable service or all attributable to a pension credit arising from a divorce or dissolution settlement.

By virtue of section 51(8) of the Pensions Act 2014 (c. 19) (“the 2014 Act”), the amendments made by regulation 2(2) to (4) have retrospective effect and are to be treated as having effect from 6th April 2005, which is the date on which the Compensation Regulations came into force.

Regulation 2(5) of these Regulations further amends regulation 22 so as to make provision for how the increased compensation cap for long service of 20 years or more introduced by the 2014 Act is to be calculated where a person has previously become entitled to compensation under the scheme or a connected scheme.

Regulation 3 of these Regulations amends regulation 9A of the Pension Protection Fund (General and Miscellaneous Amendments) Regulations 2006 (S.I. 2006/580) in relation to the discharge by the Board of liabilities in respect of money purchase benefits by payment of a lump sum, where the value of a person’s money purchase benefits does not exceed a specified maximum. The amendment increases that maximum value from £2,000 to £10,000.

An impact assessment has not been produced for these Regulations as they have no impact on business or civil society organisations. An assessment has been made of the impact of the introduction of the Pension Protection Fund increased cap for long service.
