Meaning of the “pay period” and the “relevant pay period” **E+W+S**

- 5.—(1) In this Schedule, “pay period”, in relation to a relevant employee, means—
- (a) the period in respect of which the relevant public authority pays the employee basic pay, whether weekly, fortnightly, monthly or any other period, or
 - (b) if the relevant public authority does not pay the employee basic pay, the period in respect of which the public authority most frequently pays the employee one of the elements of ordinary pay mentioned in paragraph 3(1)(b) to (e).
- (2) In this Schedule, the “relevant pay period” means the pay period within which the snapshot date falls.

Meaning of “hourly rate of pay” **E+W+S**

- 6.—(1) The “hourly rate of pay” in relation to a relevant employee, is to be determined as follows—

Step 1

Identify all amounts of ordinary pay and bonus pay paid to the employee during the relevant pay period.

Step 2

Where an amount identified under Step 1 is an amount of ordinary pay, exclude any amount that would normally fall to be paid in a different pay period.

Step 3

Status: Point in time view as at 31/03/2017.

Changes to legislation: The Equality Act 2010 (Specific Duties and Public Authorities) Regulations 2017 is up to date with all changes known to be in force on or before 16 May 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

Where an amount identified under Step 1 is an amount of bonus pay, and is paid in respect of a period (“the bonus period”) which is not the same length as the relevant pay period, divide the amount by the length of the bonus period (in days) and multiply it by the length of the relevant pay period (in days).

Step 4

Add together the amounts identified under Step 1 (as adjusted, where necessary, under Steps 2 and 3).

Step 5

Multiply the amount found under Step 4 by the appropriate multiplier (see sub-paragraphs (2) and (3)).

Step 6

Divide the amount found under Step 5 by the number of working hours in a week for that employee (see paragraph 7).

(2) In this paragraph, “the appropriate multiplier” means 7 divided by the number of days in the relevant pay period.

(3) In determining for the purposes of this paragraph the number of days in the relevant pay period or bonus period where those periods are (or are determined by reference to) a month or a year—

- (a) a month is treated as having 30.44 days;
- (b) a year is treated as having 365.25 days.

Employee's working hours in a week **E+W+S**

7.—(1) The number of working hours in a week for a relevant employee, for the purposes of Step 6 in paragraph 6, is to be determined as follows.

(2) Subject to sub-paragraph (6), where an employee has normal working hours that do not differ from week to week or over a longer period, the number of working hours in a week for a relevant employee is the number of the normal working hours in a week for that employee under the employee's contract of employment, or terms of employment, in force on the snapshot date.

(3) Subject to sub-paragraph (6), where the employee has no normal working hours, or the number of the normal working hours differs from week to week or over a longer period, the number of working hours in a week for the employee is—

- (a) the average number of working hours calculated by dividing by twelve the total number of the employee's working hours during the period of twelve weeks ending with the last complete week of the relevant pay period, or
- (b) where the employee has not been at work for a sufficient period, or for some other reason the public authority is not reasonably able to make the calculation under paragraph (a), a number which fairly represents the number of working hours in a week having regard to such of the considerations specified in sub-paragraph (5) as are appropriate in the circumstances.

(4) In calculating the average number of working hours for the purposes of sub-paragraph (3) (a), no account is to be taken of a week in which no hours were worked by the employee, and hours worked in earlier weeks must be brought in so as to bring up to twelve the number of weeks of which account is taken.

(5) The considerations referred to in sub-paragraph (3)(b) are—

- (a) the average number of working hours in a week which the employee could expect under the employee's contract of employment, or terms of employment; and

Status: Point in time view as at 31/03/2017.

Changes to legislation: The Equality Act 2010 (Specific Duties and Public Authorities) Regulations 2017 is up to date with all changes known to be in force on or before 16 May 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

(b) the average number of working hours of other employees engaged in comparable employment with the same public authority.

(6) Where the employee is paid on the basis of piecework, the number of working hours in a week for the employee is the number of hours of output work for that employee in the week during the relevant pay period within which the snapshot date falls, determined in accordance with Chapter 4 of Part 5 of the National Minimum Wage Regulations 2015 ^{M14}.

(7) In its application by virtue of sub-paragraph (6), Chapter 4 of Part 5 of the National Minimum Wage Regulations 2015 has effect as if—

- (a) references to a worker were references to an employee, and
- (b) references to a pay reference period were references to a week.

(8) In this paragraph, “working hours”—

- (a) includes hours when an employee is available, and required to be available, at or near a place of work for the purposes of working unless the employee is at home, and
- (b) excludes any hours for which an employee is entitled to overtime pay.

(9) In sub-paragraph (8), hours when an employee is “available” only includes hours when the employee is awake for the purposes of working, even if an employee by arrangement sleeps at or near a place of work and the employer provides suitable facilities for sleeping.

EXPLANATORY NOTE

(This note is not part of the Regulations)

Status: Point in time view as at 31/03/2017.

Changes to legislation: The Equality Act 2010 (Specific Duties and Public Authorities) Regulations 2017 is up to date with all changes known to be in force on or before 16 May 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

These Regulations impose specific duties, including gender pay gap reporting requirements, on the public authorities listed in Schedule 2 to the Regulations. The purpose of the duties is to enable the better performance by the authority of the public sector equality duty imposed by section 149(1) of the Equality Act 2010 (c. 15) (“the Act”). That section requires public authorities to have due regard, in the exercise of their functions, to specified equality aims.

Regulation 2 makes provision as to the meaning of “employment” and related expressions for the purposes of the Regulations.

Regulation 4 requires the public authorities listed in Schedule 2 to publish annual information to demonstrate compliance with the section 149(1) duty. Regulation 5 requires the same public authorities to publish equality objectives at four-yearly intervals. Regulation 6 sets out the way in which the information must be published. Regulations 4 and 5 both require the information to be first published not later than 30th March 2018.

Regulation 7 enables two of the public authorities listed in Schedule 2, Monitor and the NHS Trust Development Authority, to jointly comply with the obligations imposed by the Regulations, as if they were a single public authority. This reflects arrangements by which the two statutory bodies are brought together in a single operational organisation called NHS Improvement.

The requirements in regulations 4 to 6 reproduce requirements in the Equality Act 2010 (Specific Duties) Regulations 2011 (“the 2011 Regulations”), which are revoked by regulation 9(1).

Regulation 9(2) makes transitional provision, so that if public authorities have published equality objectives in compliance with the 2011 Regulations during the four years ending with 30th March 2018, they are not required to publish such objectives again until four years from the date of last publication under the 2011 Regulations. Regulation 9(3) makes a saving provision.

Regulation 3 and Schedule 1 impose new requirements for public authorities listed in Schedule 2 to the Regulations, if they have 250 or more employees, to publish information relating to the gender pay gap in their organisation. In particular, public authorities are required to publish the difference between the average hourly rate of pay paid to male and female employees; the difference between the average bonus paid to male and female employees; the proportions of male and of female employees who receive bonuses; and the relative proportions of male and female employees in each quartile pay band of the workforce.

Schedule 2 to the Regulations sets out the public authorities to which the obligations in these Regulations apply. This updates and consolidates the lists in Schedules 1 and 2 of the 2011 Regulations.

Schedule 3 to the Regulations amends Parts 1 and 2 of Schedule 19 to the Act (public authorities subject to the public sector equality duty).

This instrument has no impact on the costs of business, charities or voluntary bodies. No specific impact assessment has been carried out on the effect that this instrument will have on the costs of the public sector, but an impact assessment prepared for the Equality Act 2010 (Gender Pay Gap Information) Regulations 2017 (which impose very similar gender pay gap reporting requirements) is published with the Explanatory Memorandum for that instrument on legislation.gov.uk. A hard copy of that full impact assessment can be obtained from the Government Equalities Office, Sanctuary Buildings, 20 Great Smith Street, SW1P 3BT.
