

**Status:** This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

## SCHEDULE

### Modifications of PACE when applied to investigations conducted by labour abuse prevention officers

#### **General modifications**

7. Each reference to an offence (including a labour market offence) includes an offence committed, or suspected of having been committed, before the coming into force of these Regulations or of section 114B of PACE.
