EXPLANATORY NOTE

(This note is not part of the Order)

This Order amends the Fixed Penalty Order 2000 (S.I. 2000/2792, “the 2000 Order”), which prescribes fixed penalty amounts for fixed penalty offences. The 2000 Order is amended by adding a new fixed penalty amount for the offence, under section 41D(b) of the Road Traffic Act 1988, of contravening or failing to comply with a construction and use requirement as to the use of hand-held mobile telephones, or other hand-held interactive communication devices, while driving.

Previously, an offence under this provision fell under entry 4 “Any other fixed penalty offence involving obligatory endorsement” in the table in Schedule 1 to the 2000 Order, and therefore carried a fixed penalty amount of £100. This Order inserts into the table a specific entry for the offence under section 41D(b) of the Road Traffic Act 1988, with an associated fixed penalty amount of £200.
