**2018 No. 1183**

The Electricity and Gas (Energy  
Company Obligation) Order 2018

PART 9

Information and enforcement

**Information from participants**

- 37.** The Administrator may require a participant—
- (a) to provide it with such information, or information of such nature, as it may specify—
    - (i) about the participant’s proposals for complying with any requirement under this Order; or
    - (ii) relating to the cost to the participant of achieving its total home-heating cost reduction obligation; and
  - (b) to produce to it evidence, of such kind as it may specify, demonstrating that the participant is complying with, or has complied with, any requirement under this Order.
