##### U.K.

97. Before Article 1 insert—

##### “Article A1

In this Regulation—

“the 2004 Regulations” means the European Public Limited-Liability Company Regulations 2004<sup>M43</sup>;

“the 2009 Employee Involvement (GB) Regulations” means the European Public Limited-Liability Company (Employee Involvement) (Great Britain) Regulations 2009<sup>M44</sup>;

“the 2009 Employee Involvement (NI) Regulations” means the European Public Limited-Liability Company (Employee Involvement) (Northern Ireland) Regulations 2009<sup>M45</sup>;

“the Companies Acts” has the meaning given by section 2 of the Companies Act 2006<sup>M46</sup>;

“SE” means a European Public Limited-Liability Company (or Societas Europaea) within the meaning of this regulation, as it had effect immediately before [F27IP completion day] and means an SE registered in the United Kingdom.

##### Article A1

1. On [F28IP completion day] every SE which remains registered in the United Kingdom immediately before [F28IP completion day] converts to a United Kingdom Societas (or UK Societas), and on and after [F28IP completion day] “UK Societas” replaces “SE” in its name.

2. A UK Societas is deemed to have in place of its existing statutes, statutes that comprise the provisions of its existing statutes save that, as they apply from [F29IP completion day]—

- (a) “UK Societas” replaces “SE” in any reference to the SE's name;
- (b) any use of “European Public Limited-Liability Company” or “Societas Europaea” is replaced by “United Kingdom Societas” or “UK Societas”;
- (c) any reference in those statutes to Directive 2001/86/EC of 8 October 2001 supplementing the Statute for a European company with regard to the involvement of employees<sup>M47</sup> is read, where appropriate and where that

reference remains operative, as though it were a reference to the 2009 Employee Involvement (GB) Regulations, or (as the case may be) the 2009 Employee Involvement (NI) Regulations;

- (d) any reference in those statutes to the EC Regulation, the 2004 Regulations, the 2009 Employee Involvement (GB) Regulations, or the 2009 Employee Involvement (NI) Regulations, is read, where appropriate and where that reference remains operative, as though it is a reference to those enactments as they form part of retained EU law.

4. Paragraphs 1 and 2 do not apply to an outgoing SE (as to which, see paragraphs (4) and (5) of regulation 12A of the 2004 Regulations).

5. In paragraph 4, an “outgoing SE” means an SE—

- (a) which, immediately before [<sup>F30</sup>IP completion day], is registered in a Member State pursuant to a transfer of its registered address from the United Kingdom to that Member State; but
- (b) whose registration in the United Kingdom has not been deleted before [<sup>F30</sup>IP completion day],

in accordance with Article 8 of this Regulation, as it applied immediately before [<sup>F30</sup>IP completion day].

6. The provisions of Article 59 are disapplied for the purposes of this regulation.

#### *Article AAAI*

1. The UK Societas retains the legal personality it had when it was an SE.

2. Save as regards any rights or obligations which are no longer applicable to a UK Societas as a result of the European Public Limited-Liability Company (Amendment etc.) (EU Exit) Regulations 2018, the conversion of an SE to a UK Societas—

- (a) does not affect any rights or obligations of the UK Societas, or render defective any legal proceedings by or against it; and
- (b) any legal proceedings that might have been continued or commenced against it when it was an SE may be continued or commenced against it as a UK Societas.

3. The records of an SE relating to any period before it became a UK Societas, in accordance with this Regulation, shall be treated for the purposes of this Regulation, the Companies Acts and the 2004 Regulations as if they were records of that UK Societas.”.

## EXPLANATORY NOTE

*(This note is not part of the Regulations)*

These Regulations are made in exercise of the powers in 8(1) of the European Union (Withdrawal) Act 2018 (c.16) in order to address failures of retained EU law to operate effectively and other deficiencies (in particular under sub-paragraphs (2)(a), (d), (g) and (3)(a) of section 8) arising from the withdrawal of the United Kingdom from the European Union.

These Regulations make amendments to legislation in the field of companies and, in particular, amend legislation relating to the formation and operation of European Public Limited-Liability Companies, or “Societas Europaea”. These Regulations provide that, on exit day, European Public Limited-Liability Companies that are registered in the United Kingdom immediately before that day are to be converted into “United Kingdom Societas” or “UK Societas”.

These Regulations also make amendments to retained EU law, both for Great Britain and Northern Ireland, which provides for employee involvement within these entities.

A full impact assessment has not been prepared for this instrument as no, or no significant, impact on the private, voluntary or public sector is foreseen.

**Status:**

Point in time view as at 31/12/2020.

**Changes to legislation:**

There are currently no known outstanding effects for the The European Public Limited-Liability Company (Amendment etc.) (EU Exit) Regulations 2018.
