Changes to legislation: There are currently no known outstanding effects for the The Exotic Disease (Amendment) (England) (EU Exit) Regulations 2018. (See end of Document for details)

EXPLANATORY NOTE

(This note is not part of these Regulations)

These Regulations are made in exercise of the powers in the European Union (Withdrawal) Act 2018 (c.16) in order to address failures of EU-derived domestic legislation to operate effectively and other deficiencies (in particular, under section 8(2)(d) and (g) of that Act) arising from the withdrawal of the United Kingdom from the European Union. These Regulations make amendments to legislation in England in the field of exotic diseases in animals.

An impact assessment has not been produced for this instrument as no, or no significant, impact on the private, voluntary or public sector is foreseen.

Status:

Point in time view as at 31/12/2020.

Changes to legislation:

There are currently no known outstanding effects for the The Exotic Disease (Amendment) (England) (EU Exit) Regulations 2018.
