EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations prescribe the fees to be charged for authenticated copies or extracts from records under the charge of the Keeper of Public Records and for other services afforded by officers of the Public Record Office which exercises its functions as part of The National Archives. The fees listed in the Schedule to these Regulations are exclusive of value added tax.

The Regulations revoke and replace the Public Record Office (Fees) Regulations 2017 (S.I. 2017/289). The fees prescribed in the Schedule mainly increase the fees prescribed by those Regulations for those services but four of those fees are reduced and two remain the same. A number of fees have been removed and some have been streamlined.

A full impact assessment has not been produced for this instrument as it has no, or no significant, impact on business or civil society organisations.
