The Novel Foods (England) Regulations 2018

Review

- 9.—(1) The Food Standards Agency must from time to time—
- (a) carry out a review of the operation and effect of these Regulations;
 - (b) set out the conclusions of the review in a report; and
 - (c) publish the report.
- (2) The report must in particular—
- (a) set out the objectives intended to be achieved by the regulatory provisions made by these Regulations;
 - (b) assess the extent to which those objectives are achieved; and
 - (c) assess whether those objectives remain appropriate and, if so, the extent to which they could be achieved with a system that imposes less regulation.
- (3) The first report under this regulation must be published before the end of the period of five years beginning with the day on which these Regulations come into force.
- (4) Reports under this regulation are afterwards to be published at intervals not exceeding five years.
