

SCHEDULE 4

Specific conditions: providing boarding for cats or dogs

PART 1

Providing boarding for cats

Interpretation

1. In this Part—

“cat unit” means the physical structure and area that comprises a sleeping area and an exercise run;

“exercise run” means an enclosed area forming part of the cat unit attached to and with direct and permanent access to the sleeping area;

“premises” means the premises on which the licensable activity of providing boarding for cats is carried on.

Changes to legislation:

There are currently no known outstanding effects for the The Animal Welfare (Licensing of Activities Involving Animals) (England) Regulations 2018, Paragraph 1.
