

SCHEDULE 4

Specific conditions: providing boarding for cats or dogs

PART 2

Providing boarding in kennels for dogs

Monitoring of behaviour and training

8.—(1) Any equipment that a dog is likely to be in contact with and any toy provided must not pose a risk of pain, suffering, disease or distress to the dog and must be correctly used.

(2) All dogs must be provided with toys or feeding enrichment (or both) unless advice from a veterinarian suggests otherwise.

(3) All toys and other enrichment items must be checked daily to ensure they remain safe and must be cleaned and disinfected at least weekly.

(4) Each dog must be exercised at least once daily away from its kennel unit as appropriate for its age and health.

(5) Any dog which, on the advice of a veterinarian, cannot be exercised must be provided with alternative forms of mental stimulation.

(6) There must be an area within each kennel unit in which a dog can avoid seeing people and other dogs outside the kennel unit if it so chooses.

Changes to legislation:

There are currently no known outstanding effects for the The Animal Welfare (Licensing of Activities Involving Animals) (England) Regulations 2018, Paragraph 8.
