

SCHEDULE 7

Specific conditions: keeping or training animals for exhibition

Housing with or apart from other animals

5.—(1) Social animals must not be exhibited if their removal from and reintroduction to the group with which they are usually housed causes them or any other animal within that group stress, anxiety or fear.

(2) Animals must be prevented from coming into contact with each other during any exhibition where such contact would be likely to cause any of them to show signs of aggression, fear or distress.

(3) All persons likely to come into contact with the animals during an exhibition must be briefed about how to behave around the animals so as to minimise anxiety, fear and stress in the animals.

(4) No female animal with unweaned offspring may be removed from its home environment and newborn, unweaned or dependent offspring must not be removed from their mothers.
