EXPLANATORY NOTE

(This note is not part of the Regulations)

This instrument corrects a defect in the Houses in Multiple Occupation (Specified Educational Establishments) (England) Regulations 2019 ([S.I. 2019/904](#)) (“the principal Regulations”) which came into force on 1st June 2019.

The Schedule to the principal Regulations listed the specified educational establishments which were exempt from the licensing regime set out in Part 2 of the Housing Act 2004. A number of educational establishments were omitted in error from that list.

Regulation 2 of this instrument corrects that defect by inserting the omitted educational establishments into the Schedule to the principal Regulations, it also lists two further educational establishments who have become eligible to be listed since the principal Regulations were made.

This instrument is issued free of charge to all known recipients of the defective instrument.

An impact assessment has not been provided for this instrument as no impact on the private or voluntary sector is foreseen.
