PART 2

Savings and transitional provision

Pending applications

14.—(1) Where an application for entry in, or restoration to, the register kept under the 1994 Act is received before exit day, any provision made by or under that Act continues to apply in relation to the application (including any appeal arising from it) without the amendments made by Part 1 of this Schedule.

(2) Where section 14(10) of the 1994 Act continues to apply by virtue of sub-paragraph (1), the reference in that subsection to EU or Community law is to be read as a reference to Part 3 of the General Systems Regulations (and the section is accordingly to be read with the omission of subsection (11)).

Visiting chiropractors: saving of old law for up to one year

15.—(1) Where—

(a) a person had, immediately before exit day, the benefit of regulation 12 of the European Union (Recognition of Professional Qualifications) Regulations 2015 in respect of the provision by that person of services as a chiropractor (and section 5A(3) of the 1994 Act accordingly applied to the person), and

(b) the person continues to have that benefit on or after exit day,

any provision made by or under the 1994 Act continues to apply in relation to the provision of those services by that person without the amendments that Part 1 of this Schedule makes to the provisions relating to visiting chiropractors from relevant European states.

(2) Sub-paragraph (1) ceases to apply in relation to a visiting chiropractor—

(a) if the chiropractor is registered as required by section 5A(3) of the 1994 Act, when his or her name is removed under section 5A(6) of the Act;

(b) otherwise, when the chiropractor's entitlement ceases by reason of the operation of section 5A(5) of the Act.

Interpretation of saved provisions

17. Where a provision continues to apply by virtue of this Part, it is to be read as if—

 - (c) a person who, immediately before exit day, was not a national of a relevant European State, but at that time was, by virtue of an enforceable EU right, entitled to be treated, for the purposes of access to and pursuit of the profession of chiropractic, no less favourably than a national of a relevant European State;”;

- (bb) in the words after paragraph (c), for “is not” there were substituted “was not, immediately before exit day”;
- (iii) in the definition of “General Systems Regulations”, at the end there were inserted—
 - “—
 - (a) in relation to anything done before exit day, as they had effect at that time;
 - (b) otherwise, as (and only to the extent that) they have effect, on or after exit day, in relation to an entitlement which arose before exit day or arises as a result of something done before exit day;”;
- (b) in the General Chiropractic Council (Registration of Chiropractors with Foreign Qualifications) Rules 2002—
 - (i) in rule 2, in the definition of “the Directive”, for “as amended from time to time” there were substituted “as it had effect immediately before exit day”;
 - (ii) in rules 11(1) and 12, the references to the Directive applying or not applying to a case were references to the case falling within or outside the Directive;
