The Animal Feed (Amendment) (EU Exit) Regulations 2019

PART 3

Amendment of retained direct EU legislation

Amendment of Regulation 1831/2003

20. For Article 12, substitute—

“Supervision

1. After an additive has been authorised in accordance with this Regulation, any person using or placing on the market that substance, or a feedingstuff into which it has been incorporated, or any other interested party must comply with any conditions or restrictions which have been imposed on the placing on the market, use and handling of the additive or feedingstuffs containing it.

2. Where monitoring requirements, as referred to in Article 8(4)(c), have been imposed, the holder of the authorisation must ensure that monitoring is carried out and must submit reports to the appropriate authority in accordance with the authorisation. The holder of the authorisation must immediately communicate to the Food Safety Authority any new information that might influence the evaluation of the safety in use of the feed additive, in particular health sensitivities of specific categories of consumers. The holder of the authorisation must immediately inform the Food Safety Authority of any prohibition or restriction imposed by the competent authority of any third country in which the feed additive is placed on the market.”.
