

SCHEDULE 11

Emergency measures: *Anoplophora chinensis* (Forster)

PART E

Lifting of demarcation

17. The appropriate UK plant health authority may lift the demarcation that applies to a demarcated area if—

- (a) the plant pest is not detected in the demarcated area over the relevant period during official surveys carried pursuant to paragraph 1(d) of Schedule 9 or by the monitoring referred to in paragraph 11(i); or
- (b) the conditions in paragraph 15(a) and (b) are satisfied.
