**2020 No. 1105**

### **PUBLIC HEALTH, ENGLAND**

#### **The Health Protection (Coronavirus, Local COVID-19 Alert Level) (Very High) (England) Regulations 2020 (revoked)<sup>F1F2</sup>**

*Approved by both Houses of Parliament*

<i>Made</i>	- - - -	<i>at 5.00 p.m. on 12th October 2020</i>
<i>Laid before Parliament</i>		<i>at 6.00 p.m. on 12th October 2020</i>
<i>Coming into force</i>	- -	<i>14th October 2020</i>

The Secretary of State makes the following Regulations in exercise of the powers conferred by sections 45C(1), (3)(c), (4)(b), (4)(d), 45F(2) and 45P of the Public Health (Control of Disease) Act 1984 <sup>M1</sup>.

These Regulations are made in response to the serious and imminent threat to public health which is posed by the incidence and spread of severe acute respiratory syndrome coronavirus 2 (SARS-CoV-2) in England.

The Secretary of State considers that the restrictions and requirements imposed by these Regulations are proportionate to what they seek to achieve, which is a public health response to that threat.

In accordance with section 45R of that Act, the Secretary of State is of the opinion that, by reason of urgency, it is necessary to make this instrument without a draft having been laid before, and approved by a resolution of, each House of Parliament.

**EXPLANATORY NOTE**

*(This note is not part of the Regulations)*

These Regulations impose restrictions on gatherings and businesses in the areas specified in Schedule 2, where the COVID-19 alert level is assessed as being very high, and on gatherings elsewhere by persons living in the specified areas. The restrictions on businesses in the specified areas consist of limitations on the sale of alcohol for consumption on the premises, the imposition of restricted hours for certain businesses and closure of certain businesses in the specified areas. The restrictions will cease to have effect in relation to a particular area 28 days from the date in which the restrictions came into force in that area, unless the Secretary of State directs otherwise. If such a direction is issued, the restrictions will continue in effect for a further 28 days. The need for the restrictions in these Regulations must be reviewed by the Secretary of State every 28 days. The Regulations themselves expire six months after the date on which they are made. No impact assessment has been prepared for these Regulations.

**Changes to legislation:**
