2020 No. 1218

The Infrastructure Planning (Electricity
Storage Facilities) Order 2020

Transitional and savings provisions

7.—(1) Paragraph (2) applies where, before the day on which this Order comes into force, an application for an order granting development consent for the construction or extension of a generating station which comprises, in whole or in part, an exempt electricity storage facility has been refused.

(2) In such a case—

- (a) the provisions of the Act are to continue to apply to the refusal as if the amendments in article 3 had not been made; and
- (b) if the refusal is quashed on a judicial review, article 5(2) of this Order applies to any redetermination of the application.
