**2020 No. 1265**

**The Greenhouse Gas Emissions Trading Scheme Order 2020**

**PART 8**

**Appeals**

**Determination of appeals**

- 73.**—(1) In determining an appeal under article 70, the appeal body may—
- (a) affirm the decision;
  - (b) quash the decision or vary any of its terms;
  - (c) substitute a deemed refusal with a decision of the appeal body;
  - (d) give directions as to the exercise of the regulator’s functions under this Order.
- (2) The appeal body may not make a determination that would result in a decision which could not otherwise have been made under this Order.
