

SCHEDULE 1

Conditions which must be met for the processing of goods to constitute an important stage of manufacture

PART 1

Introductory notes

Note 5 — Other tolerances applicable to certain textile goods

5.1. Where, in the table, reference is made to this Note, textile materials which do not satisfy the condition set out in Column 3 for the made-up good concerned, may be used, provided that they are classified in a heading other than that of the good and that their value does not exceed 8% of the ex-works price of the good.
