SCHEDULE 5

PART 1

Rules of Interpretation for the GSP Specified Goods Table

Limited application

6. Where the letter “L” appears before the GSP classification in column 3, this means—
 - (a) the codes specified in column 5 and 6 respectively do not apply to all the goods falling under the GSP classification in column 3 that are described in the first part of the description in column 4; and
 - (b) those codes only apply to certain goods, that are identifiable by a more specific “L-description” in column 4.
