## PART 4

### Savings and transitional provision and revocations

#### **Saving of the effect of provision in respect of model forms of health certificates**

**69.** Where Part 3 of these Regulations revokes any provision of retained direct EU legislation which would, but for that revocation, have had effect after IP completion day as part of retained EU law in relation to the model forms of health certificates to be used in respect of the importation and movement of animals and animal products into or through Great Britain, that provision is saved and continues to have effect from immediately after IP completion day until the end of the day on 31st July 2021.

#### **General transitional provision relating to the presentation or other use of model forms of health certificates**

**70.** Where Part 3 of these Regulations amends any provision of retained direct EU legislation which, on or after IP completion day, forms part of retained EU law so as to enable the presentation or other use of a model form of health certificate in “the form published by the appropriate authority from time to time”, that amendment does not preclude a model certificate in the form set out in the text of such legislation, as it had effect immediately before IP completion day, from being presented or otherwise used, on or after IP completion day, in connection with the importation and movement of animals or animal products into or through Great Britain instead of the equivalent model certificate, in the form published by the appropriate authority from time to time, from immediately after IP completion day until the end of the day on 31st July 2021.

#### **Power to amend transitional dates**

**71.—(1)** The Secretary of State may by regulations amend a date (“a transitional date”), on which certain provisions cease to have effect, or until which certain provisions continue to have effect or until which certain model certificates may continue to be presented or used, specified in—

- (a) regulation 26(3) of the Trade in Animals and Related Products Regulations 2011(11);
  - (b) regulation 69;
  - (c) regulation 70.
- (2) The Secretary of State may not exercise the power in paragraph (1)—
- (a) to amend a transitional date to a date before 1st July 2021;
  - (b) without the consent of the appropriate authority.
- (3) If the appropriate authority asks the Secretary of State to make regulations under paragraph (1), the Secretary of State must have regard to that request.
- (4) Regulations made under paragraph (1) are to be made by statutory instrument.
- (5) A statutory instrument containing regulations under paragraph (1) is subject to annulment in pursuance of a resolution of either House of Parliament.
- (6) Such regulations may—
- (a) contain consequential, incidental, supplementary, transitional or saving provision;
  - (b) make different provision for different purposes.

### **Interpretation**

- 72.**—(1) In this Part, “appropriate authority” means—
- (a) in relation to England, the Secretary of State;
  - (b) in relation to Wales, the Welsh Ministers;
  - (c) in relation to Scotland, the Scottish Ministers.
- (2) But the appropriate authority is the Secretary of State if consent is given by—
- (a) in relation to Wales, the Welsh Ministers;
  - (b) in relation to Scotland, the Scottish Ministers.

### **Revocations**

- 73.**—(1) The Import of and Trade in Animals and Animal Products (Amendment etc.) (EU Exit) Regulations 2019(12) are revoked.
- (2) The retained direct EU legislation listed in the Schedule is revoked.

## SCHEDULE

Regulation 73(2)

## Revocation of retained direct EU legislation

The following retained direct EU legislation is revoked—

1. Commission [Decision 93/444/EC](#) on detailed rules governing intra-Community trade in certain live animals and products intended for exportation to third countries.
2. Commission [Decision 1995/410/EC](#) laying down the rules for the microbiological testing by sampling in the establishment of origin of poultry for slaughter intended for Finland and Sweden.
3. [Commission Regulation \(EC\) No 599/2004](#) concerning the adoption of a harmonised model certificate and inspection report linked to intra-Community trade in animals and products of animal origin
4. [Commission Regulation \(EC\) No 1739/2005/EC](#) laying down animal health requirements for the movement of circus animals between Member States.
5. Commission [Decision 2006/605/EC](#) on certain protection measures in relation to intra-Community trade in poultry intended for restocking of wild game supplies.
6. Commission [Decision 2010/470/EU](#) laying down model health certificates for trade within the Union in semen, ova and embryos of animals of the equine, ovine and caprine species and in ova and embryos of animals of the porcine species.
7. Council [Decision 2011/408/EU](#) laying down simplified rules and procedures on sanitary controls of fishery products, live bivalve molluscs, echinoderms, tunicates, marine gastropods, by-products thereof and products derived from these by-products coming from Greenland.
8. Commission Implementing [Decision 2013/503/EU](#) recognising parts of the Union as free from varroosis in bees and establishing additional guarantees required in intra-Union trade and imports for the protection of their varroosis-free status.

**EXPLANATORY NOTE**

*(This note is not part of these Regulations)*

These Regulations are made in exercise of the powers in the European Union (Withdrawal) Act 2018 (c. 16) (in particular under section 8(2)(a), (b), (c), (d), (f) and (g)) in order to address failures of retained EU law to operate effectively and other deficiencies arising from the withdrawal of the United Kingdom from the European Union.

Part 2 contains amendments to various statutory instruments relating to imports of animals, germinal products and animal products.

Part 3 contains amendments to retained direct EU legislation relating to imports of those products.

Part 4 contains general transitional and saving provision to enable the continued use, from IP completion day, for transitional purposes, of model forms of certificates as provided for in EU law as it had effect before IP completion day. It also contains a power to amend, by regulations, the date on which those transitional provisions, and the transitional provisions in regulation 26(3) of the Trade

in Animals and Related Products Regulations 2011 ([S.I. 2011/1197](#)) cease to have effect. Part 4 and the Schedule also contain revocations of various instruments.

A full impact assessment has not been produced for this instrument as no, or no significant, impact on the private, voluntary or public sectors is foreseen.
