SCHEDULE 3

Definitions used in Part 5 (Trade)

PART 2

Goods which could be used for migrant smuggling
and human trafficking subject to trade prohibitions

2. For the purposes of regulation 32, “goods which could be used for migrant smuggling and human trafficking” means any thing which falls within the following commodity codes—

- (a) 8407 21;
- (b) ex 8408 10, provided that it is an outboard motor for marine propulsion with a compression ignition;
- (c) ex 8501 31, provided that it is an electrical outboard motor for marine propulsion of an output not exceeding 750 W;
- (d) ex 8501 32, provided that it is an electrical outboard motor for marine propulsion of an output exceeding 750 W but not exceeding 75 kW;
- (e) ex 8903 10, provided that it is an inflatable vessel for pleasure or sports;
- (f) ex 8903 99, provided that it is an outboard motor boat.
