

SCHEDULE

PART 1

Relevant places where face coverings must be worn

1.—(1) A shop, but does not include—

- (a) restaurants with table service, including restaurants and dining rooms in hotels or members' clubs,
- (b) bars, including bars in hotels or members' clubs,
- (c) public houses.

(2) For the purposes of (1), an area within or adjacent to a shop where seating or tables are made available by that business for the consumption of food and drink on the premises by customers of that business is not a relevant place for the purposes of these Regulations.
