PART 2

EU type-approval

Conformity of production: record keeping

7. The holder of an EU type-approval, or national small series vehicle type approval in accordance with Article 42 of the Type Approval Regulation, must compile and retain for inspection by the approval authority for a period of five years commencing with the date of compilation, such records of tests and checks undertaken that are sufficient to demonstrate—

- (a) conformity of production to the approved type,
- (b) compliance of certificates of conformity to Article 36 or Article 37 of the Type Approval Regulation, and
- (c) that the data in certificates of conformity issued by the holder are correct.
