The Immingham Open Cycle Gas Turbine Order 2020

PART 5

POWERS OF ACQUISITION

Temporary use of land for maintaining the authorised development

28.—(1) Subject to paragraph (2), at any time during the maintenance period relating to any part of the authorised development, the undertaker may—

- (a) enter on and take temporary possession of any of the Order land if such possession is reasonably required for the purpose of maintaining the authorised development;
- (b) enter on any of the Order land for the purpose of gaining such access as is reasonably required for the purpose of maintaining the authorised development; and
- (c) construct such temporary works (including the provision of means of access) and buildings on the land as may be reasonably necessary for that purpose.

(2) Paragraph (1) does not authorise the undertaker to take temporary possession of—

- (a) any house or garden belonging to a house; or
- (b) any building (other than a house) if it is for the time being occupied.

(3) Before taking temporary possession of land for a period of time by virtue of paragraph (1) the undertaker must give notice of intended entry to each of the owners and occupiers of the land, so far as known to the undertaker after making diligent inquiry.

(4) The notice in paragraph (3) must specify—

- (a) the period after the end of which the undertaker may take temporary possession of the land provided that such period must not end earlier than the end of the period of three months beginning with the day on which the notice is given; and
- (b) subject to sub-paragraph (5) the period for which the undertaker is to take temporary possession of the land,

provided that such periods may be varied from time to time by agreement between the undertaker and the owner or occupier.

(5) The undertaker may only remain in possession of land under this article for so long as may be reasonably necessary to carry out the maintenance of the part of the authorised development for which possession of the land was taken.

(6) Before giving up possession of land of which temporary possession has been taken under this article, the undertaker must remove all temporary works and restore the land to the reasonable satisfaction of the owners of the land.

(7) The undertaker must pay compensation to the owners and occupiers of land of which temporary possession is taken under this article for any loss or damage arising from the exercise in relation to the land of the provisions of this article.

(8) Any dispute as to a person's entitlement to compensation under paragraph (7), or as to the amount of the compensation, is to be determined under Part 1 (determination of questions of disputed compensation) of the 1961 Act.

(9) Nothing in this article affects any liability to pay compensation under section 152 of the 2008 Act (further provisions as to compensation for injurious affection) or under any other enactment in respect of loss or damage arising from the maintenance of the authorised development, other than loss or damage for which compensation is payable under paragraph (7).

(10) Where the undertaker takes possession of land under this article, the undertaker is not required to acquire the land or any interest in it.

(11) Section 13 (refusal to give possession to acquiring authority) of the 1965 Act applies to the temporary use of land pursuant to this article to the same extent as it applies to the compulsory acquisition of land under this Order by virtue of section 125 (application of compulsory acquisition provisions) of the 2008 Act.

(12) In this article “the maintenance period” means the period of one year beginning with the date of final commissioning.

(13) The provisions of the Neighbourhood Planning Act 2017 ^{F1} do not apply insofar as they relate to temporary possession of land under this article in connection with the maintenance of the authorised development and other development necessary for the authorised development within the Order land.
