

SCHEDULE 11

Information to be provided in the case of distance selling through the internet

5.—(1) The electronic product information sheet made available by suppliers in accordance with regulation 12(1)(i) must be shown on the display mechanism in proximity to the price of the product.

(2) The size of the information sheet must be such that the sheet is clearly visible and legible.

(3) If the product information sheet is displayed using a nested display or by referring to a publicly available website, the link used for accessing the product information sheet must clearly and legibly indicate “Product information sheet”.

(4) If a nested display is used, the product information sheet must appear on the first mouse click, mouse roll-over or tactile screen expansion on the link.
