

SCHEDULE 17

Transport

Activity – ports and harbours

2. A qualifying entity carrying on activities that consist of or include—
 - (a) owning or operating a port or harbour in the United Kingdom that handled 1 million tonnes or more of cargo as recorded in the Port Freight Annual Statistics⁽¹⁾ published by the Department for Transport, in the year preceding the year in which the acquisition is due to be completed; or
 - (b) owning and operating terminals, wharves or other infrastructure situated in a port or harbour described in sub-paragraph (a).

(1) The Port Freight Annual Statistics are collected by the Department for Transport under [S.I. 1997/2330](#) and is published on <https://www.gov.uk/search/research-and-statistics> under 'Port Freight Annual Statistics'.
