## EXPLANATORY NOTE

*(This note is not part of the Regulations)*

These Regulations are made in exercise of the powers conferred by section 8(1) of, and paragraph 21 of Schedule 7 to, the European Union (Withdrawal) Act 2018 (c. 16) to address failures of retained EU law to operate effectively arising from the withdrawal of the UK from the European Union.

Regulation 2 amends Commission Delegated Regulation (EU) 2015/2446 of 28 July 2015 supplementing Regulation (EU) No 952/2013 of the European Parliament and of the Council as regards detailed rules concerning certain provisions of the Union Customs Code (EUR 2015/2446) which is retained EU legislation. It extends to 1st July 2022 the expiry date for the waiver of the requirement to lodge an entry summary declaration for goods coming from the EU and other countries for which a declaration was not required before the UK's exit from the EU.

A full impact assessment has not been produced for this instrument. These Regulations will assist businesses by delaying the introduction of the administrative burden of submitting entry summary declarations for a further six-month period until 1st July 2022. An impact assessment is not required for provisions in force for less than 12 months.
