**EMPLOYMENT AND TRAINING**

**The Industrial Training Levy (Construction Industry Training Board) Order 2021**

<i>Made</i>	- - - -	<i>29th March 2021</i>
<i>Laid before Parliament</i>		<i>31st March 2021</i>
<i>Coming into force</i>	- -	<i>22nd April 2021</i>

The Secretary of State makes this Order in exercise of the powers conferred by section 11(2) and section 12(3) and (4) of the Industrial Training Act 1982(1) (“the Act”).

This Order is made to give effect to levy proposals submitted by the Construction Industry Training Board(2) pursuant to section 11(1) of the Act which, as required by section 11(3) of the Act, include proposals for the exemption of employers employing a small number of employees.

The levy proposals include proposals for securing that no exemption certificates relating to the levy will be issued by the Board. The amount of levy payable by employers will exceed 0.2% of their relevant emoluments in respect of the base period for the levy period. Accordingly, section 11(4) and (5) of the Act applies to this Order.

In relation to the requirements set out in section 11(5) of the Act, the Secretary of State is satisfied that the levy proposals are necessary to encourage adequate training in the industry, and the conditions mentioned in section 11(6)(b) are satisfied, including the condition in section 11(6F)(a).

The Secretary of State estimates that the levy to be paid by employers in the industry does not exceed 1% of their relevant emoluments. Accordingly section 11(7)(a) of the Act applies to this Order.

The Secretary of State has consulted the Scottish Ministers as required by section 88(2) of the Scotland Act 1998(3).

### **Imposition of the levy**

3.—(1) A levy is to be imposed on employers in the construction industry in respect of the period beginning with 22nd April 2021 and ending with 21st July 2021 (“the levy period”).

(2) Subject to article 9, a person is liable to pay an amount by way of levy in respect of the levy period if that person is an employer in the construction industry at any time in that period.

---

(4) Schedule 1 to that Order was substituted by [S.I. 1992/3048](#).

(3) In this Order (other than in this article), references to an “employer” are references to a person who is an employer in the construction industry.

### **Base period**

4. The base period for the levy period begins with 6th April 2019 and ends with 5th April 2020.

### **Construction establishments to be assessed**

5.—(1) The Board must assess the amount of levy to be paid in respect of each construction establishment of an employer in respect of the levy period.

(2) In this Order, “construction establishment” means any particular establishment of the employer engaged wholly or mainly in the construction industry for the necessary period.

(3) In this article “the necessary period” means—

(a) a period (which need not be continuous) consisting of a total of 27 or more weeks falling within the base period; or

(b) in the case of a construction establishment which started being engaged in the construction industry during the base period, a period (which need not be continuous)—

(i) falling within the base period; and

(ii) consisting of a total number of weeks exceeding one half of the number of weeks in the part of the base period beginning on the day on which the construction establishment started being engaged in that industry and ending on the last day of the base period.

(4) The person who on the first day of the levy period owns or otherwise has responsibility for a construction establishment is to be treated as the employer of all persons employed at or from that establishment during the base period.

### **Treatment of construction establishments as one establishment**

6. The Board and an employer may agree that two or more construction establishments of that employer be treated as one construction establishment for the purposes of assessment of the amount of levy payable.

### **Assessment of the amount of levy**

7.—(1) The amount of levy to be assessed in respect of each construction establishment is—

$$A + B$$

where

A is an amount equal to 0.175% of all emoluments (other than the relevant part of all contract payments) which have been paid or are payable by the employer to or in respect of persons employed by the employer at or from the construction establishment in respect of the base period; and

B is an amount equal to 0.625% of the relevant part of all contract payments made by the employer to or in respect of persons employed by the employer at or from the construction establishment in respect of the base period.

(2) “Contract payment” has the meaning given to it by section 60 of the Finance Act 2004(5).

---

(5) 2004 c. 12. Chapter 3 of Part 3 of the Finance Act 2004 makes provision for the Construction Industry Scheme under which certain payments under construction contracts are made under deduction of sums on account of tax. Section 60 was amended by paragraph 20 of Schedule 1 to the Finance Act 2020 (c. 14).

(3) The relevant part of a contract payment is the part of the contract payment in respect of which the relevant percentage is applied for the purpose of section 61 of the Finance Act 2004.

(4) Where an amount described as “A” or “B” is not a whole number of pounds, the amount must be rounded down to the nearest £1.

(5) Where a construction establishment ceases to be engaged in the construction industry during the levy period, the amount of levy imposed in respect of the construction establishment for that period is to be in the same proportion to the amount that would otherwise be due under this article as the number of days between the commencement of the levy period and the date of the cessation of engagement (both dates inclusive) bears to the number of days in the levy period.

### **Total amount of levy**

**8.—**(1) Subject to paragraph (2), the total amount of levy to be paid by an employer in respect of the levy period is the aggregate amount of levy assessed as payable for all construction establishments of the employer.

This calculation is carried out with reference to the base period in article 4. The total amount of levy payable by the employer is the aggregate amount of levy

for all of the employer's construction establishments. If, in accordance with article 7, the aggregate amount of the relevant part of all contract payments, and emoluments (other than the relevant part of all contract payments), is £120,000 or more, but less than £400,000 in the levy period, then a 50% reduction will apply (article 8). If the aggregate amount is less than £120,000 then the employer will be exempt from paying the levy (article 9).

An employer assessed to the levy will receive a written assessment notice from the Board setting out the amount of levy payable by that employer (article 10). Payment of the levy must usually be made within one month of service of the assessment notice by the Board (article 14). An assessment notice may be withdrawn by the Board and the Board may also serve amended assessment notices (articles 11 and 12).

An employer assessed to the levy may appeal against that assessment. An appeal must normally be made within one month of the date of service of the relevant assessment notice by the Board (article 15).
