
STATUTORY INSTRUMENTS

2021 No. 792

The Space Industry Regulations 2021

PART 12

Informed consent

CHAPTER 4

Information to be given to a human occupant before the consent form is signed

Information about the operator's spaceflight activities

210. At least 24 hours, but not more than one month, before a human occupant signs a consent form, the spaceflight operator must give that human occupant—

- (a) the details of the current risk assessment for the operator's spaceflight activities in an easily understandable form,
- (b) information in writing about the availability of emergency services in the event of an accident or medical emergency, and
- (c) where that human occupant is a crew member or a launch vehicle task specialist, the information relating to exposure to cosmic radiation which is referred to in regulation [140\(1\)](#).

Commencement Information

11 Reg. 210 in force at 29.7.2021, see [reg. 1\(1\)](#)

Changes to legislation:
