The Space Industry Regulations 2021

PART 14

Monitoring and enforcement

CHAPTER 3

Inspectors

*SECTION 2*

*Powers exercisable by inspectors*

**Power to require the use of facilities and assistance**

**246.** A power conferred by this Section includes power to require any person to provide any facilities or assistance relating to matters or things—

- (a) within the person's control, or
- (b) in relation to which the person has responsibilities,

which are needed in order to enable an inspector to exercise the power.
