**2021 No. 792**

**The Space Industry Regulations 2021**

**PART 14**

**Monitoring and enforcement**

**CHAPTER 4**

**Sharing of information between regulator and other bodies**

**Regulator may share information**

**253.**—(1) The regulator may share the information listed in paragraph (2) with the following persons—

- (a) the Secretary of State;
- (b) a qualifying health and safety authority;
- (c) the Defence Safety Authority;
- (d) any other public authority or international organisation responsible for regulating any aspect of spaceflight activities;
- (e) an appointed person<sup>(1)</sup>,

for the purposes set out in section 26(2).

(2) The regulator may share the following information—

- (a) information submitted to the regulator by a person making an application for a licence under the Act;
- (b) information otherwise obtained by a regulator in respect of a person making an application for a licence under the Act;
- (c) information submitted to or obtained by the regulator, or an inspector, in the exercise of powers under this Part.

---

<sup>(1)</sup> See definition in section 16(1) of the Space Industry Act 2018.
