

SCHEDULE

PART 1

Climate change governance etc. requirements

Metrics and targets

15. Trustees must in the first scheme year in respect of which the requirements of this Part apply and, where applicable, in a first scheme year of re-application, select a minimum of—

- (a) one absolute emissions metric;
- (b) one emissions intensity metric; and
- (c) one additional climate change metric,

to calculate in relation to the scheme's assets.
