Made - - - - 17th March 2022

The Minister for the Civil Service makes these Regulations in exercise of the powers conferred by sections 1(1) and (2)(a), 2, 3 and 18(5) of the Public Service Pensions Act 2013⁽¹⁾ (“the 2013 Act”).

In accordance with section 3(5) of the 2013 Act, these Regulations are made with the consent of the Treasury.

In accordance with section 21(1)(2) of the 2013 Act, the Minister for the Civil Service has consulted the representatives of such persons as appear to the Minister to be likely to be affected by these Regulations.

The retrospective provisions contained in these Regulations do not appear to the Minister to have significant adverse effects in relation to the pension payable to or in respect of members of the scheme established by the Public Service (Civil Servants and Others) Pensions Regulations 2014⁽³⁾, nor in any other way in relation to members of that scheme. Accordingly, the procedures set out in section 23 of the 2013 Act are not applicable in respect of these Regulations.

- (a) with continuity of service;
 - (b) who before the transition date—
 - (i) had made an application for an ill-health pension under the PCSPS (their “ill-health pension application”); and
 - (ii) had not reached normal pension age under the PCSPS;
 - (c) whose ill-health pension application is determined on or after the transition date; and
 - (d) who would have been entitled to payment of an ill-health pension under the PCSPS if their ill-health pension application had been determined on 31st March 2022.
- (2) Where this paragraph applies—
- (a) an ill-health pension and lump sum are not payable under the PCSPS;
 - (b) an ill-health pension is payable under this scheme in accordance with this paragraph;
 - (c) M becomes a deferred member of the PCSPS;
 - (d) M is entitled to payment of a lump sum of the amount which would have been payable to M under the PCSPS.
- (3) Where M was not a member of Section II of the PCSPS immediately before the transition date and—
- (a) M would have met a payment threshold in the PCSPS and M meets the equivalent payment threshold in this scheme, the annual rate of ill-health pension payable under this scheme in respect of the payment threshold is the greater of—
 - (i) the rate calculated in accordance with paragraph 29(3) (in respect of the lower tier payment threshold) or, if it applies, (4) (in respect of the upper tier payment threshold); and
 - (ii) the rate which would have been payable to M under the PCSPS in respect of that payment threshold; or
 - (b) M would have met a payment threshold in the PCSPS and M does not meet the equivalent payment threshold in this scheme, the annual rate of ill-health pension

payable under this scheme in respect of the payment threshold is the rate which would have been payable to M under the PCSPS in respect of that payment threshold.

(4) Where M was a member of Section II of the PCSPS immediately before the transition date, the annual rate of ill-health pension payable under this scheme is—

- (a) where M meets a payment threshold in this scheme, the greater of—
 - (i) the rate calculated in accordance with paragraph 29(3) (in respect of the lower tier payment threshold) or, if it applies, (4) (in respect of the upper tier payment threshold); and
 - (ii) the rate which would have been payable to M under the PCSPS; or
- (b) where M does not meet a payment threshold in this scheme, the rate which would have been payable to M under the PCSPS.

(5) If the full retirement account specifies an amount of full retirement added pension of any description, the rate payable is the annual rate of full retirement added pension that would, if the member was entitled to payment of an ill-health pension under the PCSPS, be payable to the member with that pension under the PCSPS.

(6) Any rate or amount payable under this paragraph which is determined by reference to a rate or an amount that would have been payable under the PCSPS is subject to the same conditions, and ceases to be payable in the same circumstances, as the rate or amount which would have been payable under the PCSPS in accordance with the rules of that scheme.

(7) The following provisions of the PCSPS apply in relation to a transition member with continuity of service who is receiving payment of an ill-health pension in accordance with this paragraph as they apply in relation to such a member who is receiving payment of an ill-health pension in accordance with paragraph 29—

- (a) rule N.9 of Section I;
- (b) rule 18.13 of Section II;
- (c) rule M.9 of Section III.

(8) In this paragraph—

- (a) the question of whether M would have met a payment threshold in the PCSPS is the question of whether M would have met the lower tier payment threshold or the upper tier payment threshold in the PCSPS if their ill-health pension application had been determined on 31st March 2022;
- (b) M only meets a payment threshold in this scheme if, in addition to meeting the criteria for that threshold, M would be entitled to payment of an ill-health pension under this scheme (disregarding this paragraph);
- (c) a reference to an amount or a rate which would have been payable to M under the PCSPS is a reference to the amount or the rate which would have been payable to M under the PCSPS if their ill health application had been determined on 31st March 2022;
- (d) terms which are defined for the purpose of paragraph 29 have the same meaning as in that paragraph.”

EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations amend the Public Service (Civil Servants and Others) Pensions Regulations 2014 (S.I. 2014/1964) (“the 2014 Regulations”) which established the new Civil Service pension scheme known as “alpha”.

Regulation 3 amends regulation 121 of the 2014 Regulations in relation to the payment of a lump sum death benefit.

Regulation 4 amends regulation 134 of the 2014 Regulations to provide for the member contribution rates for the scheme year ending on 31st March 2022 to also apply to the 1st April 2022 to 31st March 2023 scheme year, as against the unchanged annualised rate of pensionable earnings bands.

Regulation 5 amends regulation 173 of the 2014 Regulations to bring provisions about the time when information about the payment of the annual allowance charge into line with the provisions of regulation 14A of the Registered Pension Schemes (Provision of Information) Regulations 2006 (S.I. 2006/567).

Regulation 6 amends Schedule 1 to the 2014 Regulations to allow certain transition members to exercise an option to make a lump sum payment for added pension.

Regulation 7 amends Schedule 2 to the 2014 Regulations for the following purposes—

- paragraphs (2), (3), (4) and (9) make amendments in consequence of provision made by the Public Service Pensions and Judicial Offices Act 2022 (c. 7). The amendments ensure that the existing principal civil service pension scheme established under section 1 of the Superannuation Act 1972 (c. 11) (“the PCSPS”) will be closed to future service accrual on and after 1st April 2022, and that any members currently in pensionable service under the PCSPS will, on that date, begin accruing benefits in alpha. In particular—
 - the definitions of “closing date” and “transition date” in paragraph 1 are amended to insert dates in respect of those terms that apply to full protection members so that provisions which refer to those terms operate as intended in respect of such members;
 - paragraph 3(3) is amended so that the tapered protection closing date for certain tapered protection members cannot be determined by the scheme manager to be on or after 1st April 2022;
 - paragraph 9(2) is amended so that protection ceases for a full protection member on the earlier of the day on which they leave pensionable service under the PCSPS, or 31st March 2022;
 - new paragraph 29B is inserted to ensure that members of the PCSPS who make an application for ill-health pension on or before 31st March 2022 which is not determined on or before that date receive no less generous ill-health benefits than they would have received had the application been determined on that date;
- paragraphs (5) to (8) make (in reliance in particular on section 3(3)(b) of the Public Service Pensions Act 2013 (c. 25) retrospective amendments to paragraphs 16, 17, 25 and 26 of Schedule 2 to bring certain Fair Deal members within the scope of transitional protection.
