2022 No. 875

The Electricity and Gas (Energy
Company Obligation) Order 2022

PART 5

Qualifying actions

CHAPTER 2

Measures which are part of ECO4 projects

SECTION 1

Projects at domestic premises occupied by help to heat group member or social housing

Measures installed at owner-occupied premises

- 13.**—(1) A measure meets the condition in this article if—
- (a) the measure is installed as part of an ECO4 project at owner-occupied premises for which the pre-project SAP band is band D, E, F or G; and
 - (b) the premises meet the household eligibility requirement specified in paragraph (2).
- (2) The household eligibility requirement is that the premises are occupied by a member of the help to heat group at any time within the 12 month period ending with the day on which the measure is completed.
