PART 13

Information and Enforcement

**Declaration verification service**

**84.**—(1) The Administrator must—

- (a) provide a means by which a relevant authority may provide it with information about a declaration they have made under any one of articles 17 to 19 or 21(1);
  - (b) maintain a record of that information; and
  - (c) following a request by a participant which is accompanied by a copy of a declaration purporting to be made by a relevant authority under any one of articles 17 to 19 or 21(1) (“the purported declaration”)—
    - (i) determine whether the purported declaration matches any declaration about which a record is maintained by the Administrator under sub-paragraph (b); and
    - (ii) inform the participant of the outcome of that determination.
- (2) Paragraph (1)(c) does not apply to a request made on or after 1st July 2026.
