(2) An opted-out service election may be made—

(a) by M, or

(b) where M is deceased, by the eligible decision-maker determined in accordance with the Schedule.

(3) Where a person (“P”) other than the scheme manager is the opted-out service decision-maker, an opted-out service election may only be made after the scheme manager determines an application which is—

(a) made by or on behalf of M,

(b) in a form and manner determined by the scheme manager,

(c) received by the scheme manager during the period of 12 months beginning with the day on which a remediable service statement is provided in relation to M under **regulation 4(2)(a)**, and

- (a) the decision by virtue of which M’s service became opted-out service was communicated to the scheme manager on or after 12th March 2012, and
 - (b) the decision by virtue of which M’s service became opted-out service was made pursuant to a relevant breach of a non-discrimination rule(14).
- (6) But the scheme manager must not refuse an application where the decision by virtue of which M’s service became opted-out service was communicated to the scheme manager during the period—
- (a) beginning on the day six months before M would have (but for the opt-out decision) become a member of the reformed scheme, and
 - (b) ending at the end of 28th February 2022.
- (7) Where the scheme manager is the opted-out service decision-maker, the scheme manager must, as soon as is reasonably practicable after determining that they are the opted-out service decision-maker, determine whether to make an opted-out service election in relation to M.

I7 Reg. 7 in force at 1.10.2023, see **reg. 1(b)**

- (9) The following provisions of PSPJOA 2022 have effect in relation to an immediate choice decision that no section 6 election is to be made as they have effect in relation to a section 6 election—

- (6) Where the deferred choice decision is that no section 10 election is to be made, the benefits payable to or in respect of M, so far as they are determined by reference to M’s remediable police service, are legacy scheme benefits.
- (7) The following provisions of PSPJOA 2022 have effect in relation to a decision that no section 10 election is to be made as they have effect in relation to a section 10 election—

 - (d) M is deceased.
- (9) Where M is a person described in [paragraph \(8\)\(c\)](#) or [\(d\)](#), the scheme manager may, before a deferred choice decision is made or a section 10 election is deemed to have been made in relation to M’s remediable police service, pay to any person (“the beneficiary”) who is, or is to be, entitled to receive benefits in relation to M’s pensionable service such benefits (whether by way of lump sum or otherwise) to which the beneficiary would be entitled if no section 10 election is made, or deemed to be made, in relation to M’s remediable police service.

(10) The scheme manager may not pay benefits under [paragraph \(9\)](#) which are determined by reference to any voluntary contribution⁽¹⁶⁾ paid by M pursuant to an arrangement which commenced during the period of M’s remediable police service.

(11) Where, at the operative time—

- (a) the aggregate of the lump sum or pension benefits that have been paid pursuant to [paragraph \(9\)](#) to a beneficiary, exceeds
- (b) the aggregate of the lump sum or pension benefits to which (after taking into account the effect, if any, of [paragraph \(6\)](#) of [this regulation](#) or section 10(4) of PSPJOA 2022) the beneficiary is entitled under a police pension scheme in respect of M’s pensionable service,

the beneficiary must pay an amount equal to the difference to the scheme manager.

- (a) the amount mentioned in [paragraph \(11\)\(a\)](#), is less than
- (b) the amount mentioned in [paragraph \(11\)\(b\)](#),

the scheme manager must pay an amount equal to the difference to the beneficiary.

(13) In [this regulation](#), “the operative time” means—

 - (ii) a section 10 election is deemed to have been made,
 the time the decision or election is made;

- (b) otherwise, the end of the section 10 election period in relation to M.

(2) The scheme manager must confer rights to benefits under the legacy scheme in relation to the remediable value that are equivalent to—

- (a) where M’s legacy scheme would have permitted the transfer in of the entire remediable value had the transfer taken place immediately before 1st April 2022, the rights to legacy scheme benefits that would have been secured if the remediable value had been transferred into that scheme in the same relevant pension year in which the remediable value was accepted;

(6) Where this paragraph applies, the scheme manager must, having consulted the scheme actuary where the remediable value is a remediable transfer value, vary the value of those rights so that they are of an equivalent value to rights M would have secured under the reformed scheme if the remediable value had been transferred into that scheme in the same relevant pension year that the remediable value was accepted.
