The Healthcare (International Arrangements) (EU Exit) Regulations 2023

NHS BSA functions: information and advice

6.—(1) NHS BSA must establish and maintain a service making available to the public information and advice in relation to—

- (a) its functions under these Regulations,
- (b) the provision of healthcare under relevant healthcare agreements, and
- (c) any evidential or administrative requirements or processes under or in relation to such agreements.

(2) The service referred to in paragraph (1) may include information and advice in relation to such other matters relating to relevant healthcare agreements, or in connection with the provision of healthcare in listed countries, as NHS BSA considers appropriate.
