EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations make amendments to assimilated law in the field of sea fisheries.

Commission Implementing Decision (EU) 2019/909 and Commission Delegated Decision (EU) 2019/910 together set out the multiannual programme for the collection and management of fisheries data. Regulations 2 and 3 amend those Decisions and extend their application to the end of 2026.

The ‘landing obligation’ (the requirement to land catches of certain fish stocks and count them against quota) is contained in [Regulation \(EU\) No 1380/2013](#) and there are four additional assimilated Regulations which specify exemptions from the landing obligation known as the ‘discard plans’. The discard plans are set out in Commission Delegated [Regulation \(EU\) No 1393/2014](#), Commission Delegated [Regulation \(EU\) No 1395/2014](#), Commission Delegated [Regulation \(EU\) 2019/2238](#), and Commission Delegated [Regulation \(EU\) 2019/2239](#). Regulations 4 to 7 amend the discard plans to remove the expiry date of 31 December 2024 for the exemptions.
