## EXPLANATORY NOTE

*(This note is not part of the Order)*

This Order, which comes into force on 1st April 2024, amends Schedules 1 and 9ZA to the Value Added Tax Act 1994 c. 23 (“the Act”).

Persons who make taxable supplies in the United Kingdom, or acquisitions in Northern Ireland from EU Member States (“acquisitions”), must be registered for the purpose of the Act if the value of the taxable supplies or acquisitions that they make exceeds a prescribed value. The values are prescribed in Schedule 1 and Schedule 9ZA to the Act. This Order increases the prescribed registration values from £85,000 to £90,000.

The requirement to register in relation to making taxable supplies is subject to an exception where the value of the taxable supplies in the next 12 months will be below a prescribed value. This Order increases that prescribed value from £83,000 to £88,000.

Persons registered in relation to taxable supplies and acquisitions may not deregister unless the value of the taxable supplies that they make fall below a prescribed value. The values are also prescribed in Schedule 1 and Schedule 9ZA to the Act. This Order increases the deregistration value for taxable supplies from £83,000 to £88,000, and the deregistration value for acquisitions from £85,000 to £90,000.
