These Regulations amend the Environmental Protection (Disposal of Polychlorinated Biphenyls and other Dangerous Substances) (England and Wales) Regulations 2000 (S.I. 2000/1043) (“the 2000 Regulations”) to correct errors in certain amendments made to those Regulations by the Environmental Protection (Disposal of Polychlorinated Biphenyls and other Dangerous Substances) (England and Wales) (Amendment) Regulations 2020 (S.I. 2020/489) (“the 2020 Regulations”).

Regulation 2(2) amends regulation 4 of the 2000 Regulations so that the references to PCBs in that regulation are to volumes of fluid containing PCBs and not to the volume of PCBs.

Regulation 2(3) makes a similar amendment to regulation 5(3) of the 2000 Regulations. Regulation 2(3)(d) makes a minor correction at the end of regulation 5(3).
