

SCHEDULE 1

Golden thread information

Registration

18.—(1) Where a higher-risk building has been registered, the document is any certificate that the PAP for the building is required to give to the regulator pursuant to regulations 4(b) and 18(1)(d) of the Building Safety (Registration of Higher-Risk Buildings and Review of Decisions) (England) Regulations 2023.

(2) For the purposes of sub-paragraph (1), where more than one certificate has been given for the same part of the higher-risk building, only the most recent certificate is prescribed.

(3) The document prescribed in sub-paragraph (1) is only prescribed for the AP that is also the PAP for the higher-risk building.
