

SCHEDULE 10

Protective provisions

PART 4

For the protection of National Gas Transmission plc as gas undertaker

Apparatus of statutory undertakers in temporarily restricted streets

34. Despite the temporary stopping up or diversion of any highway under article 15 (temporary restriction of use of streets), National Gas Transmission may at all times take all necessary access across any such highway and execute and do all such works and things in, on or under any such highway as may be reasonably necessary or desirable to enable it to maintain any apparatus which at the time of the restriction or diversion was in that highway.
