21.—(1) Subject to paragraph (2), Network Rail may acquire compulsorily such easements or other rights over any land which it is authorised to acquire under article 18 (power to acquire land) as may be required for any purpose for which that land may be acquired under that provision, by creating them as well as by acquiring easements or other rights already in existence.

(2) In the case of the Order land specified in column (2) of Schedule 3 (acquisition of new rights only) Network Rail may compulsorily acquire such new rights as may be required for the purpose specified in relation to that land in column (3) of that Schedule.

(3) Subject to Schedule 2A (counter-notice requiring purchase of land not in notice to treat) to the 1965 Act (as substituted by paragraph 5(8) of Schedule 10 (modification of compensation and compulsory purchase enactments for creation of new rights), where Network Rail acquires a right over land under paragraph (1) or paragraph (2) Network Rail is not required to acquire a greater interest in that land.

- (b) any cellar, vault, arch or other construction in, on or under a street which forms part of a building fronting onto the street.

(4) Subject to paragraph (5), any person who is an owner or occupier of land in respect of which the power of appropriation conferred by paragraph (1) is exercised without Network Rail acquiring any part of that person's interest in the land, and who suffers loss by the exercise of that power, is entitled to compensation to be determined, in case of dispute, as if it were a dispute under Part 1 (determination of questions of disputed compensation) of the 1961 Act.

(5) Compensation is not payable under paragraph (4) to any person who is an undertaker to whom section 85 (sharing of cost of necessary measures) of the 1991 Act applies in respect of measures of which the allowable costs are to be borne in accordance with that section.
