ANIMALS, WALES

ANIMAL HEALTH

The TSE (Wales) Regulations 2002

Made - - - - 24 May 2002

Coming into force 27 May 2002

THE TSE (WALES) REGULATIONS 2002

Part I

Introductory provisions

1. Title, application and commencement
2. Application
3. Interpretation

Part II

TSE monitoring

4. TSE monitoring
5. Prohibitions and restrictions on the movement of TSE susceptible animals
6. Slaughter of TSE susceptible animals at slaughterhouses
7. Slaughter of TSE susceptible animals at other premises
8. Retention, seizure and disposal of carcasses etc. of TSE susceptible animals
9. Compensation for slaughtered TSE susceptible animals
10. Notifications

Part III

Animal feeding

Mammalian protein and mammalian meat and bone meal

11. Mammalian protein
12. Mammalian meat and bone meal for use in feeding stuffs for livestock

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to The TSE (Wales) Regulations 2002. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details) View outstanding changes

13. Mammalian meat and bone meal for use in fertilisers on agricultural land

Processed animal protein

14. Feeding of processed animal protein to farmed animals
15. Sale or supply of processed animal protein intended for the feeding of farmed animals
16. Production of fishmeal for feeding to farmed animals other than ruminants
17. Production of dicalcium phosphate and hydrolysed protein for feeding to farmed animals other than ruminants
18. Transport and storage of processed animal protein

Approvals of premises

19. Applications for approvals and approvals of premises
20. Suspension and withdrawal of approvals
21. Appeals

Feeding stuffs

22. Manufacture of feeding stuffs containing processed animal protein
23. Production of feeding stuffs containing fishmeal for feeding to farmed animals other than ruminants
24. Production of feeding stuffs containing dicalcium phosphate and hydrolysed protein for feeding to farmed animals other than ruminants
25. Use and storage of feeding stuffs containing fishmeal, dicalcium phosphate or hydrolysed protein

Administration and enforcement

26. Records relating to mammalian meat and bone meal and processed animal protein
27. Cleansing and disinfection
28. Powers of inspectors
29. Disposal and recall of mammalian meat and bone meal and MBM products

Part IV

Specified Risk Material

Introductory provisions

30. Interpretation of expressions used in this Part
31. Extended meaning of sale etc.
32. Presumption that food is intended for human consumption

Carcases and specified risk material

33. Removal of specified risk material from carcasses in slaughterhouses
34. Removal of specified risk material from carcasses elsewhere
35. Inspection and marking of carcasses in a slaughterhouse
36. Removal of vertebral column of bovine animals in cutting premises
37. Removal of SRM spinal cord of bovine animals, sheep and goats

38. The young lamb stamp
39. Staining of specified risk material
40. Consignment of specified risk material after removal from carcasses
41. Presence of an OVS

Prohibitions: slaughter and carcasses

42. Pithing
43. Prohibition on sale of non-compliant carcasses for human consumption
44. Prohibition on the removal of brain and eyes
45. Prohibition on the removal of spinal cord
46. Transport of unmarked carcasses of sheep and goats
47. Possession of unmarked carcasses of sheep and goats

Prohibitions on sale and use of specified risk material

48. Prohibition on sale of specified risk material for human consumption
49. Prohibition on feeding specified risk material to animals
50. Specified risk material for use in cosmetic, pharmaceutical and medical products
51. Mechanically recovered meat

Prohibitions on collection, transport, rendering, incineration etc. and storage of specified risk material

52. Use of premises for collection, rendering, incineration etc. of specified risk material
53. Storage of specified risk material
54. Transport of specified risk material
55. Procedure for bringing in specified risk material from England, Scotland or Northern Ireland

Licensing

56. Licensing
57. Licensing for the use of specified risk material in production or research
58. Applications for licences
59. Requirements of use of licensed premises
60. Suspension of licences
61. Revocation of licences
62. Appeals against suspension, refusal and revocation of licences

Collection centres and incinerators

63. Collection centres
64. Incinerators

Rendering plants

65. Delivery of specified risk material to rendering plants
66. Storage etc. of specified risk material at rendering plants
67. Rendering of specified risk material
68. Rendered material

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to The TSE (Wales) Regulations 2002. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details) [View outstanding changes](#)

Administration and enforcement

69. Records
70. Cleansing and disinfection
71. Powers of inspectors
72. Recall, seizure and destruction of feeding stuffs
73. Directions
74. Compliance with notices
75. Slaughterhouse staff training
76. Occupier's duty and offences
77. Inspection and seizure of suspected food

Part V

Control and eradication of TSEs: Chapter IV of the Community TSE Regulation

78. Notifications for the purposes of Chapter IV of the Community TSE Regulation
79. Measures for the purposes of Chapter IV of the Community TSE Regulation
80. Movement prohibitions and restrictions of TSE susceptible animals for the purposes of Chapter IV of the Community TSE Regulation
81. Slaughter of TSE susceptible animals at slaughterhouses for the purposes of Chapter IV of the Community TSE Regulation
82. Slaughter of TSE susceptible animals at other premises for the purposes of Chapter IV of the Community TSE Regulation
83. Retention, seizure and disposal of carcasses etc. of TSE susceptible animals for the purposes of Chapter IV of the Community TSE Regulation
84. Compensation for slaughtered TSE susceptible animals for the purposes of Chapter IV of the Community TSE Regulation
85. Prohibition of sale, supply and use of milk from affected or suspected animals
86. Cleansing and disinfection

Part VI

Article 15(2) of and Chapter B of Annex VIII to the Community TSE Regulation

87. Notification of progeny of certain TSE suspect and confirmed animals
88. Measures to administer and enforce Article 15(2) of and Chapter B of Annex VIII to the Community TSE Regulation
89. Movement prohibitions and restrictions
90. Slaughter at slaughterhouses
91. Slaughter at other premises
92. Retention, seizure and disposal of carcasses etc.
93. Compensation for slaughtered animals
94. Offspring slaughter
95. Cleansing and disinfection

Part VII

Sampling and laboratory methods

96. Sampling and laboratory methods

Part VIII

Community controls, offences, penalties and enforcement

97. Community controls: powers of inspectors
98. Obstruction
99. Offences
100. Offences due to fault of another person and defence of due diligence
101. Enforcement

Part IX

Supplementary provisions

102. Service of notices and other documents
 103. Amendments
 104. Revocations and savings and transitional provisions
- Signature

SCHEDULE 1 Compensation

1

Part I — Compensation for TSE susceptible animals slaughtered under regulation 6 or 7

1. The compensation payable for a TSE susceptible animal slaughtered under...
2. The market value of the animal shall be determined—
3. A valuer appointed for the purpose of paragraph 2 shall...
4. The valuer must give to the Secretary of State and...
5. Where an animal was certified by a veterinary surgeon before...

Part II — Compensation for carcasses, parts of carcasses or blood of TSE susceptible animals seized or disposed of under regulation 8

1. Subject to paragraph 5 below, the compensation for any carcass,...
2. The value of any carcass, part or blood seized or...
3. The owner of a carcass, part of a carcass or...
