The Scarweather Sands Offshore Wind Farm Order 2004

PART II

WORKS

Protection of navigation and air traffic and control of noise

Lights on tidal works during construction

13. The undertaker must at or near a tidal work during the whole time of the construction, alteration, enlargement, replacement, relaying, reconstruction or extension of the work exhibit every night from sunset to sunrise such lights, if any, and take such other steps for the prevention of danger to navigation as Trinity House may from time to time direct.
