PART 2

Notification, suspicion and investigation of disease

9. Notification of disease or suspected disease
10. Notice of suspicion of disease
11. Suspicion of disease in animals in transit
12. Veterinary inquiry into the existence of disease and declaration of suspect and infected premises
13. Separate production units
14. Tracing of possible disease spread
15. Maintenance of measures in respect of premises
16. Declaration of a temporary control zone
17. Measures applicable in respect of a temporary control zone
18. Supplementary measures in respect of a temporary control zone:
straying of susceptible animals

Changes to legislation: There are currently no known outstanding effects for the *The Foot-and-Mouth Disease (Wales) Order 2006*. (See end of Document for details)

19. Declaration of supplementary movement control zone
20. Measures applicable in respect of a supplementary movement control zone

PART 3

Measures following confirmation of disease

21. Tracing of products originating on infected premises
22. Notice of intention to slaughter animals
23. Sampling and clinical examination of susceptible animals before slaughter
24. Place of slaughter
25. Slaughter: control of carcasses
26. Slaughter: control of faecal material
27. Slaughter: isolation of things liable to spread disease
28. Slaughter: cleansing and disinfection of premises other than slaughterhouses and border inspection posts
29. Slaughter: cleansing and disinfection of slaughterhouses and border inspection posts
30. Restocking of premises following slaughter
31. Declaration of protection and surveillance zones on confirmation of the disease in Wales
32. Declaration of protection and surveillance zones on confirmation of the disease in England or Scotland
33. Protection and surveillance zones: general provisions
34. Measures applicable in respect of protection and surveillance zones
35. Veterinary inspection of premises in protection and surveillance zones
36. Power to prohibit entry to land or agricultural buildings in a protection zone
37. Termination of protection and surveillance zones
38. Declaration of restricted zone
39. Measures applicable in respect of a restricted zone
40. Presence of the disease in wild animals and declaration of a wild animal infected zone
41. Measures applicable in a wild animal infected zone

PART 4

General and supplementary provisions

42. Production of licences
43. Premises keeping animals of special value
44. Duty of the local authority to erect signs
45. Cleansing and disinfection of vehicles transporting susceptible animals
46. Cleansing and disinfection of vehicles: provision of facilities, equipment and materials
47. Marks applied under this Order
48. Change of occupation of premises under restriction
49. Reasonable assistance
50. False information
51. Compliance with notices and directions
52. Production of records

53. Retention of records
54. Designated areas and periods for the inspection of vehicles
55. General powers of veterinary inspectors to take action to prevent the spread of disease
56. Powers of inspectors in case of default
57. Offences by bodies corporate
58. Offences: no knowledge of restriction or requirement
59. Enforcement

PART 5

Amendments and revocations

60. Amendment to the Diseases of Animals (Approved Disinfectants) Order 1978
61. Amendment to the Foot-and-Mouth Disease (Ascertainment of Value) (Wales) (No. 5) Order 2001
62. Amendment to the Disease Control (Wales) Order 2003
63. Revocations
Signature
