The Maintained Schools (Partnership Agreements) (Wales) Regulations 2007

Review of partnership agreements and statements

13. Where, following a review of a statement under regulation 10,
- (a) a partnership agreement is not to be entered into, and
 - (b) a revised statement is not to be drawn up,

the local education authority and the governing body are next required to review, and may revise the statement within the period of four years after the relevant date and subsequently at intervals of no more than three years from the previous review.
